Outdoor equipment: bandage, blanket, camping stove, compass, first-aid kit, matches, penknife, plaster, rucksack, shelter, rope, sleeping mat

have a pain, have an accident, hurt your ankle, keep cool, keep warm, lie down, take medicine

U'bu

Hiking

أسية القطاوة

A photograph showing a person from behind, walking away on a wide, sandy path. The path leads towards a bright, glowing opening between two dark, towering rock formations, creating a silhouette effect. The person is wearing a light-colored shirt and dark shorts. The scene is captured in a vintage, slightly grainy style.

Compass

Tent

A photograph showing a person in a wheelchair sitting in front of a large white tent. The person is wearing a light-colored shirt and dark pants. Another person in a yellow shirt is visible inside the tent. The scene appears to be outdoors, possibly at a camp or festival.

How can we keep safe outdoors

1. Always carry a compass so you don't get lost.
2. Wear a helmet.
3. Bring a first-aid kit to treat cuts or burns.
